Reference is invited to Col. Loch's letter d. 12.10.35, and the Chief Secretary's reply d. 14.10.35 in which permission was accorded to entrust Col. Lucas with the work of selecting horses at Bombay on his arrival here, and in case this involved any delay in the arrival of Colonel Lucas in Bangalore Col. Col. Lucas was in the ordinary course due to take charge on 1st Nov. 35.

Letter no. Submitted with reference to paras 2 & 3 above.

It was under the instructions of Govt. that Lt. Col. Lucas attended H. Q. the Selection of horses at Bombay. The period of his stay in Bombay is for 3 days & the days of his journey may perhaps be treated as on Spl duty.

He claims his pay only for three days of halt at Bombay i.e. 24th, 25th and 26th Oct. and for dates of journey i.e. 1st & 2nd Nov. and not for other days.

Lt. Colonel Lucas arrived in Bombay on 24th October 1935 and assumed charge of his appointment as Chief Comdt. on 2nd Nov. 1935 (afternoon). The interim period was spent by him as follows:—

(i) 24th, 25th & 26th Oct. 35 : On special duty relating to the Mysore Govt. under instructions

(ii) 27th to 31st Oct. 35 : On his own private business.

(iii) 1st & 2nd Nov. 35 : Journey to Bangalore.

to attend to some Government work at Bombay on his way to Bangalore, he cannot be allowed the full pay admissible to him as Chief Commandant or daily allowance in addition to pay. For the days on which he attended to Government work at Bombay, he can be allowed only any extra expenditure which he might have incurred over and above what he would have incurred if he was not entrusted with the above work. This may be ascertained and paid.

The grant of pay or t.a. for the days of journey from Bombay to Bangalore is not admissible and there is no justification to pay the same.

As Col. Lucas attended to Government work under instructions from Government, he will have to be given some remuneration for the period he spent on that work at Bombay. His claim for salary for three days and daily allowance for this period may be sanctioned. This will amount to Rs. 165. Considering the fact that, but for Col. Lucas' presence at Bomba Col. Loch would have had to go there to select the horses, the extra expenditure incurred is very small.

As regards his claim for travelling allowance

Serial No.

He does not claim any pay or allowance for the ~~[illegible]~~ 4 intermediate days spent on private work (visit to Bhopal).
He claims salary for the other 5 days (24, 25 & 26 Oct. 35, and 1st & 2nd Nov. 35), daily allowance at Rs 7-8-0 for the ~~[illegible]~~ first 3 days spent in Bombay in selecting remounts, and Railway fare for journey from Bombay - Bangalore.
This practically amounts to treating him as joining duty at Bombay on 24th Oct 35 (with a break of 4 days from 27th to 31st).

Dear Mr. Anantaraman,

With reference to Government Order No.827-28/C.B. 81-34-17 dated Mysore 12th October 1935, just received, Colonel Lucas wrote to me sometime ago saying that he proposed to arrive in Bombay on the 24th of October, go up to Bhopal and collect his kit and arrive in Bangalore on the 30th of October. I have arranged accordingly to hand over to him on the 31st of October, the date on which my tenure of the appointment of Chief Commandant expires, and to leave for Madras on the 1st of November, sailing for the United Kingdom by S.S. Mashobra from Madras on the 6th of November.

I have recently received a telegram from Julius Gove & Co., Bombay stating that remounts had arrived and offering Mysore State Troops first selection. It will be exceedingly inconvenient for me to go to Bombay to select these horses just before I hand over, as I have a certain amount of packing to do and straightening

straightening out questions for Colonel Lucas before I hand over. It appears to me that the most satisfactory solution will be for Colonel Lucas to select the horses when he arrives in Bombay, on the 24th and 25th. I will send a State Officer, the Veterinary Officer, and a party of N.C.Os and men to assist Colonel Lucas and bring the horses back to Bangalore. This however raises two questions.

1) What will Colonel Lucas' position be from the date he undertakes the duty of selecting horses? Will he draw pay as Chief Commandant, in which case Government will incur the expenses of two Chief Commandants for about a week?

2) If the chosing of the horses delays Colonel Lucas in Bombay for one or more days and therefore delays his taking over from me in Bangalore, what will my position be? My appointment at present terminates on the 31st of October.

I shall be obliged if you will obtain very early orders of Government in the matter, so that I
